

Our Church Affiliation:

WCIU is the sister school of Westminster Theological Seminary, which offers graduate level training and masters degrees. WCIU is a training institution of the Presbyterian Church in Uganda

Our Doctrinal Commitment

Our faculty enthusiastically affirms the inspiration, complete trustworthiness, sufficiency, and inerrancy of the Old and New Testaments. The Bible is the supreme authority in all matters of life and faith. We believe that the meaning of Scripture must be learned by comparing Scripture with Scripture and through the faithful and accurate interpretation of each text and not by appeals to human tradition of private revelations.

Our faculty also subscribes to the Westminster Confession of Faith, one of the great confessions of the 16th century Reformation, as a very helpful, accurate and faithful summary of what the Bible teaches. The Confession teaches, among many other truths, the Five "Alones" of the Reformation:

Scripture Alone is God's written, inerrant revelation and the church's guide and authority for all matters of faith and life and especially for understanding salvation;

Christ Alone is the savior of sinners. God the eternal Son, became man and by His sinless life, His substitutionary death and His sin and death-conquering resurrection, He purchased grace, justification, reconciliation and salvation for His church;

Grace Alone, accomplished by Christ alone, saves sinners. Salvation cannot be earned or deserved by any human work, ritual or obedience;

Faith Alone is the empty hand that receives and rests on the gracious, Christ-provided gospel of justification that makes hell-deserving sinners right before a holy God;

To God Alone Be the Glory: the triune and sovereign God alone deserves praise, glory and worship for all things and especially for gracious salvation.
